

GEEK AFTER DARK

**Dubstep • Tearout
Hybrid Trap • 140 Bass Music**

Northern Illinois • Chicago • Milwaukee

ABOUT

Geek After Dark is a heavy bass DJ playing dubstep, tearout, hybrid trap, and 140 across Chicago and Milwaukee. His track selection leans toward heavy originals, hard-to-find underground flips, and familiar vocals reworked for the club. That mix gives his sets room to get heavier without losing the crowd along the way.

2026 BASS MUSIC PROMO MIX

A current preview of the Geek After Dark live set, built from underground finds, familiar records, and edits selected for the room.
